**HERE'S HOW IT WORKS:** Each time your parish, school, or official Catholic organization prints the logo above (**color** or **b/w**) in the parish bulletin, website, play/musical/sports program booklet, or any other public venue, it receives a chance for cash prizes in our raffle on or around **June 30, 2010**. All you have to do is mail in proof

of printing the logo and we take care of the rest. There is no limit to the number of entries, except as indicated. If your parish, school, or official Catholic organization is the lucky winner we will send you a check for the amount drawn. All entries must be submitted no later than **May 31, 2010**.

## PARISH BULLETIN

A parish, school, or official Catholic organization will receive a maximum of two entries per month for a parish bulletin. You may simply retain two editions from each month and mail them in by **May 31, 2010**. This could amount to a maximum of **26 entries!**

## WEBSITE

If the logo is on your parish, school, or official Catholic organization's website, we ask that you submit a printed sheet of it as it appears on the site with a letter indicating the duration for its display and whether or not it has been formatted as an actual link.

**For example:** *"We posted the logo on our organization's website on May 3, 2009, and have made the commitment to keep it posted to at least May 31, 2010. It is posted as an actual link."*

**The Vocation Office** will then submit **2** entries on your behalf for every full month the logo is displayed from **May 1, 2009** to **May 31, 2010**. This could also amount to a maximum of **26** entries!

## ORGANIZATION'S PUBLICATIONS

Each time you have an event, be sure to print our vocation website logo and earn a chance to win cash for your group. All you have to do is submit a copy of the program. **One** raffle ticket will be submitted on behalf of your group for each unique proof of publication.
